Pfleiderer Polska Sp. z o.o. | ul. Strzegomska 42AB | 53-611 Wrocław (PL)

MANUFACTURER'S DECLARATION OF COMPLIANCE WITH GERMAN FORMALDEHYDE EMISSION DIRECTIVE AND IKEA SPECIFICATION IOS-MAT-0181 FOR REDUCED FORMALDEHYDE EMISSION FROM ENGINEERED WOOD BOARDS

To Whom It May Concern:

Due to the German regulation concerning the ban on the use of chemicals (ChemVerbotsV) established on 20.01.2017 (BGBl. I S. 94; 2018 I S. 1389), updated on the 26.11.2018 with the new announcement number BAnz AT 26.11.2018 B2, Pfleiderer Polska sp. z o.o., acting as authorised to represent itself independently, declares that its sales portfolio features products compliant with the requirements of ChemVerbotsV and the IKEA specification IOS-MAT-0181 v.3.

The engineered wood products declared below are manufactured by Pfleiderer Wieruszów sp. z o. o., Pfleiderer Grajewo sp. z o. o. and Pfleiderer MDF Grajewo sp. z o. o., already meet the requirements for reduced formaldehyde emission, with legally required declarations and statements as proof of conformity.

Each of the following products meet the declared requirements:

- Particleboard "ClassicBoard P2" E1 E05
- Particleboard "ClassicBoard P2" CARB 2; E1 E05
- Laminated particleboard "DecoBoard P2" E1 E05
- Laminated particleboard "DecoBoard P2" CARB 2; E1 E05
- High density fibreboard "StyleBoard HDF" E1 E05
- High density fibreboard "StyleBoard HDF" CARB 2; ULEF; E1 E05
- Lacquered high density fibreboard "DecoBoard HDF" E1 E05
- Lacquered high density fibreboard "DecoBoard HDF" CARB 2; ULEF; E1 E05
- "Worktops P2" CARB 2; E1 E05

Moreover we would like to inform you that finish foil and edges produced by Pfleiderer Grajewo sp. z o. o. can be placed on German market.

These products bear proof of compliance issued by a third-party or internal laboratory according to the ChemVerbotsV-specified reference method of formaldehyde emission testing, DIN EN 717-1 (≤ 0.05 ppm), which ensures compliance of the tests with the reference method established in DIN EN 16516 (≤ 0.1 ppm).

If you have any questions or concerns, contact Pfleiderer Quality Department at jakosc@pfleiderer.com.

Yours faithfully,

Mateusz Zgadzaj
Head of Quality Management
